The Kay Bain Weiner Glass Art Educational Foundation (KBW Foundation) is a non-profit organization whose mission is to stimulate and promote interest in glass art through educational projects. To encourage the teaching of glass art in K-12 schools, the non-profit KBW Foundation is offering grants to School Art Instructors who are presently or planning to teach glass art as part of their curriculum. These \$250 grant certificates can be used for the regular school semester program or a summer session and can be redeemed at art glass suppliers for glass supplies for classes. You choose the art glass supplier. The KBW Foundation will then pay \$250.00 directly to the purveyor for glass supplies of your choice.

Please fill out the form below and return by mail to KBW Foundation c/o Denny Berkery 2506 Upham St Madison, WI or email to [info@kbwfoundation.com](mailto:info@kbwfoundation.com) (please attach completed form or simply include all required information in your email).  
Deadline is November 1, 2023.  
Grants will be awarded December 1, 2023.
